

WEEKLY REPUBLICAN-1917.  
DAILY PUBLIC LEDGER-1918

MAYSVILLE, KENTUCKY, THURSDAY, MARCH 13, 1919.

ONE COPY—ONE CENT.

## RAILROADS TRY TO DEFEAT RIVER IMPROVEMENT PLAN

Local Men Appealed to by Ohio Valley Improvement Association to Help Keep River Program From Being Defeated.

Telegrams received here this morning by Mayor Thomas M. Russell, Captain C. M. Plister and Secretary Carl Dadds, of the Chamber of Commerce, indicate that the railroads have put on foot a concerted effort to defeat the government's program of improvement on river transportation.

All three of the telegrams read: "Railroads taking active steps to defeat program of river and rail co-ordination announced by Director Hines. If successful will deal death blow to Ohio river transportation. Important conference Chamber of Commerce Cincinnati Tuesday, March 18th, eleven a. m. to take aggressive measures you are urged to participate. Please wire acceptance."

Mayor Russell and Secretary Carl Dadds have already informed Mr. W. S. Culkins, Secretary of the Ohio Valley Improvement Association at Cincinnati that they will be in Cincinnati to attend the conference and Captain Plister thinks he will be able to attend.

Representatives from all of the Ohio valley towns will be at the meeting and it is to be hoped that this meeting can make arrangements to bring such pressure to bear to save the river interests from the oppression of the railroads in this respect.

## NO PERMANENT FLOOR IN BRIDGE SOON

The fact that the Internal Improvement committee of City Council has just had laid new timbers in the floor of Limestone bridge, indicates that there will be no permanent floor put in this bridge for some time to come. The timbers which have been used for flooring for many years past last but a short time and at the present cost of lumber is a very expensive sort of floor. Eventually some permanent floor will have to be installed.

## NEGRO DIED OF CERE-BRAL HEMORRHAGE

Lizzie Jackson, negro chamber maid on the tow boat James Moran, who died on the boat a few days ago and was left by the crew in charge of Higgins & Slatery, local undertakers, died of a cerebral hemorrhage according to the findings of County Coroner Thomas F. Higgins. The remains have been shipped to Chillicothe, Ohio, where relatives reside for burial there.

## PIE SUPPER AT EASTLAND SCHOOL

There will be a pie and candy supper at the Eastland School house on next Thursday evening held by the Parent-Teacher Association of that school. The public is cordially invited.

## S. S. ATTENDANCE TO BE PUBLISHED WEEKLY

All Sunday Schools Are Urged to Phone Their Attendance Each Sunday to the Attendance Secretary For Publication.

The publishing of the attendance of the various Sunday Schools throughout the city and county each week as one means of increasing interest in the Sunday School movement, especially as looking toward a banner attendance on Go-to-Sunday-School Day, the first Sunday in May, can be made a very interesting feature of the work. This is an age of publicity. No movement worth mentioning meets with any degree of success without a great deal of publicity. People read the newspapers. It is the first thing one cares to see in the morning to see what has happened over night; and when the day is over the newspaper of the afternoon is looked for to read the happenings of the day.

The publishing of the Sunday School attendance by our papers several years ago created much interest and good-natured rivalry. And it has been a disappointment to many that the work ceased. Then no attempt has ever been made to secure the attendance of the county Sunday Schools. In other counties this has been carried on with great enthusiasm. Why not in old Mason? It can be if those in charge of the schools will take just about two minutes on Sunday afternoons and call phone 217 Maysville and give their attendance. Then on Monday they may read in their paper not only how many were at their Sunday School but how many attended other schools.

Now that the beautiful spring days are here there should be a renewal of effort on the part of every Sunday school to build up to exceed last year. It has been a hard pull since the health ban, but with the coming of warm weather we may expect all schools to get in line for a better work than ever. Once more, don't fail to call 217 next Sunday afternoon and give your attendance.

## SOCIAL SESSION OF EPWORTH LEAGUE

The Epworth League of the Third Street M. E. Church will hold a business and social meeting at the church Friday evening at 7:30 o'clock. On account of the various Centenary activities the League has not held its monthly socials for several months. The members and friends are urged to attend the meeting tomorrow evening as some definite plans for the League's work will be considered. The social hour will be enjoyable to all.

## LEWISBURG PASTOR RESIGNS

Rev. O. B. Mitchell, pastor of the Lewisburg Baptist Church this county, has resigned his pastorate and will remove to Raleigh, North Carolina. Rev. Mitchell has been pastor at the county church for the past few years and has made many friends. All wish him success in his new field of labor.

## MARCH 28 MAY BE DATE OF CLOSING LOCAL MARKET

Meeting of Maysville Tobacco Association To Be Held Friday Afternoon To Decide the Exact Closing Date of the Tobacco Market.

One of the most discussed questions in Maysville and Mason county for the past several weeks has been the closing date of the market for this season. Many have been of the opinion that the market should be closed the last of this month while others are of the opinion that because of the late opening the market should remain open until the first two weeks in April.

Secretary J. C. Rains, of the Maysville Tobacco Association, announced this afternoon that a meeting of the Association had been called for Friday afternoon at the close of the sale at the Home warehouse and the date of the closing sale will be announced immediately after the meeting.

It seems to be the general opinion of the tobacco men that the proper date for the closing will be Friday March 28 and it is almost certain that this date will be decided upon at tomorrow's meeting.

The association is deciding on the closing date now so that all growers may have plenty of time to get in their crop and as soon as the date is actually fixed the growers in all sections who have tobacco yet to be delivered, will be notified.

## STATE RED CROSS SUPERVISOR COMING

Miss Lida Hafford, State Supervisor of Women's Work will be in Maysville on Saturday and wishes to meet Red Cross Workers from both county and town. This is a very important meeting and Miss Hafford should be given a hearing for she comes with a most important message. The meeting will be in the reading room of the Public Library at 2 o'clock.

## CALLED TO MIDDLETOWN BECAUSE DEATH OF AUNT

Mr. and Mrs. Carl Dadds were called to Middletown, Ohio, today on account of the death of Mrs. Dadds' aunt, Mrs. Samuel Graft. Mr. Dadds will return to Maysville by way of Cincinnati and meet with Ohio valley business men and city officials there on Tuesday to discuss river problems.

## DIED IN ILLINOIS; BURIED HERE TODAY

The body of Mrs. Howard Williams, who died a few days ago at her home in Palmer City, Ill., was brought here today and taken direct to the Maysville cemetery for burial. Mr. Williams was a former resident of Mason county.

## CHILD'S RESIDENCE SOLD

Sherman Arn has sold for Mr. James Childs, his beautiful modern home located on East Second street, Fifth Ward, to Mr. and Mrs. Frank Burgoyne. This is one of the nicest homes on East Second street. Mr. and Mrs. Burgoyne, who have recently sold their home will move into this home about April first.

Miss Elizabeth Hunter who is a student of Nelson's Business College, Cincinnati, will spend the week end with her parents, Mr. and Mrs. Charles Hunter, of Washington.

Ask your grocer for Traxel-Glascock Co.'s Pimento Cheese. Fresh made in your home town Creamery.

## HIGH SCHOOL WILL LIKELY HAVE LYCEUM NEXT WINTER

Representative of Lyceum Course in Maysville Yesterday—Prof. Caplinger Says Course Will Probably Be Resumed Next Winter.

For the past two winters the Maysville Lyceum Course has not been held for various reasons but it became known today that in all probabilities the course will be resumed at the High School during next winter.

A representative of one of the largest lyceum talent bureaus in the country was in Maysville yesterday talking over the matter with Prof. Caplinger and it is more than likely that he will recommend to the Board of Education that they resume this course which is not only instructive to the students of the city schools but which is considered one of the best educational features for the entire community. The entire city and county becomes much interested in the Lyceum Course each winter and if it is definitely decided to give the course next winter, all can rest assured that the best talent possible will be procured.

Interest right now is in the Chautauqua for the coming summer and up to the present time nothing has been definitely done in this regard. It is expected, however, that the Chamber of Commerce committee in charge of the Chautauqua will begin laying plans for this summer's program in the near future.

## SERGEANT ROBERT STRAUS' HIGHLY COMPLIMENTED

There are very few men leaving Camp Zachary Taylor who have received a higher compliment than that bestowed upon Sergeant Robert Straus, son of Mr. and Mrs. S. Straus of this city. In Monday's edition of "Trench and Camp," a newspaper published for the camp, there appears a fine likeness of the young man with a very complimentary notice. Sergeant Straus for some time has been Moral Sergeant of the camp and from the notice given him in the camp newspaper, it is plainly seen that he was very popular and was held in high esteem by officers and men alike.

## BARKOOT CARNIVAL COMING

It has been definitely learned that the Barkoot Carnival Company will bring their shows to Maysville early in the spring. It is more than likely that the show will be given in Maysville under the auspices of some local organization. As this is one of the largest and best carnival companies on the road the people will welcome it and it is certain they will have good crowds during their entire engagement. The exact date of the show will be decided upon later.

## DANCE IN FIFTH WARD STOPPED BY POLICE

Upon complaint of neighbors the police Wednesday evening stopped a dance and general free-for-all in the Fifth Ward. Neighbors complained that the dance, which probably would have been kept up all night but for the interference of the police, was a frequent occurrence in the neighborhood and had caused them much annoyance.

## PRAYER MEETING AT BAPTIST CHURCH TONIGHT

Regular weekly Prayer Meeting will be held at the Baptist Church tonight at the usual hour. The public is cordially invited and an interesting program is assured.

## OLD ORGANIZATION WILL HANDLE FIFTH LOAN HERE

Splendid Organization Which Has So Successfully Handled All Previous Liberty Loans Will Handle the Victory Loan in Mason County.

No definite arrangements have been made for the Fifth or Victory Loan in Mason county which campaign will begin during the month of April. It was announced this morning that the same splendid organization which has so successfully handled all previous loans in this county would be in full charge of the new loan.

It is more than likely that some arrangements will be made for the handling of the new loan in this county in a very short time. Most all preliminary arrangements have been made at Cleveland, the headquarters of the Fourth Federal Reserve district and as soon as these arrangements are forwarded to the county committee plans for the launching of the campaign will be made.

The first meeting of the Women's committee for this district was held today at Lexington and Mrs. French, Mason county representative and chairman of the women's work for this county, was in attendance.

## RHODE ISLAND RED EGGS GOING FAST

County Agent George Kirk reports that he has had very good reports from the eggs which have been sent out through his office. The first order filled was for ten dozen eggs, and the purchaser reports that the eggs were given the test for fertility after being set, and that the 112 out of the 120 eggs were good.

If the eggs are set early, the pullets hatched will begin to lay in the fall, at a time when eggs bring the best prices. By all means set your hens and incubators at the earliest opportunity possible, and make it possible to have eggs during the winter. Extra quality eggs \$1.10 per setting of 15 eggs. Call County Agent Kirk.

## M. H. S. WILL NOT BE REPRESENTED AT TOURNAMENT

When the Kentucky High School Tournament which is to be held at the Kentucky State University tomorrow, was first announced, it was thought that the Maysville High School would have a good representation of athletes but members of the basketball team have decided that they will not take part in the tournament this season and the local High School will not be represented in tomorrow's events.

## ALL DAY MISSIONARY RALLY WILL BE HELD ON SATURDAY

Interesting Program Is Arranged For All Day Meeting at First Baptist Church on Next Saturday—All Women Are Invited to Attend.

The Woman's Missionary Union, which is one of the liveliest auxiliaries of the First Baptist Church, has arranged for an all day's Missionary Rally at the church on next Saturday. A splendid program has been arranged by the women and especially the women of the church whether members of this organization or not are urged to be in attendance.

The program as arranged provides for a study of Missions, Home and Foreign, in a special way of interest to women and quite a number of the ladies of the society will make short addresses on various phases of their missionary activity.

At the noon hour a luncheon will be served by the society and a social hour will be enjoyed and in the afternoon the study will be taken up and continued.

A special musical program has also been arranged and those women who miss this meeting will miss a rare treat in more than one way.

## POLICE WORKING ON SAFE BLOWING

Chief of Police Ort and his men have not yet given up their search for the yegmen who cracked the safe at Harrison & Son's feed store a week ago. They are following out all of their clues and hope before long to turn up something that will help them in their search for the criminals.

## BAPTIST PASTOR WILL RETURN SATURDAY

Dr. B. B. Bailey, pastor of the First Baptist Church, will return to Maysville Saturday from Nashville, Tenn., where he has been engaged in a revival meeting and will preach at his church both morning and evening Sunday.

## TRIPLET CALVES

A cow belonging to Mr. William Mitchell on the John R. Downing farm in the county, gave birth to triplet calves the first of the week. All are doing well.

## NOTICE OF REMOVAL

Have moved my stable from East Second street to West Third street, next door to Manchester Produce Co. Open day and night. A. C. JAMES.

## CONFERENCE WILL BE HELD HERE NEXT WEEK TO SOLVE PROBLEMS

Delegates From All Parts of the County Will Be Asked to Meet in Maysville Next Week to Hear Experts on Reconstruction Problems.

The Rod Triangle Committee of Mason county which met late yesterday at the Maysville Chamber of Commerce building to discuss the matter of holding a two days' reconstruction conference in this city, finally decided to ask the state Y. M. C. A. organization to assist them in holding such a conference.

It was decided to hold the conference at the First Presbyterian church on Thursday and Friday, March 20 and 21 and some of the most prominent men in the state will be on the program. Among others it is announced that President McVey, of Kentucky State University and Dr. Edmonds, pastor of the Woodland Christian Church, of Lexington, a native New Zealander, will on the program.

Complete arrangements for the conference will be made immediately and more details will be announced as they are finally decided upon. It is known, however, that the conference will be well worth while and will help greatly in helping the Mason county boys who are returning from the army to get back into civil life with the least friction.

## BABY DIES OF INFLUENZA

The infant child of Judge and Mrs. J. D. Wyatt died at the home of the mother in Front street this morning after a week's illness of influenza developing into pneumonia. Burial will be made in the cemetery at Elizaville, Fleming county.

## "THE HYPOCRITES" IS A WONDERFUL PICTURE

A good crowd saw "The Hypocrites" at the Pastime this afternoon. This picture, as advertised, proves to be a wonderful picture play. It will be shown again tonight.

## F. T. A. MEETING

The Forest Avenue Parent-Teacher Association will meet Friday afternoon at three o'clock. All members are requested to be present.

## FOR SALE

Two Ford Touring Cars, cheap. Phone 422-R. W. J. MAXEY.

## THE HOME OF QUALITY CLOTHES

# WELCOME

## Home, Men in Khaki

The war is over, but your fight in the business world begins the day you take off your uniform. Whether in store, office or factory you want to win.

Appearance helps and we can serve you in your selection of apparel.

For we recommend Society Brand, Fashion Park and Stein-Cloth clothes, the best, we believe, in quality and style for the young man.

Come in and let us show you the merit of these lines.

## D. Hechinger & Co.

CLOTHIERS

## Non-Skid Trusses

We are now fitting the Non-Skid Truss. Most trouble of trusses arise from the pad slipping and letting the rupture come out. Come in and let us explain it.

M. F. Williams Drug Company  
THIRD STREET DRUG STORE

## More Cream Money

More cream means more money. There's cream slipping away every day in your dairy. Thousands of scientific tests have proven beyond question that 95 per cent of all hand driven separators are turned below speed a great part of the time. Every member of the family turns the separator at a different speed. If the speed is allowed to slacken, even for a moment, your separator will lose a lot of cream.

## THE NEW SHARPLES SUCTION-FEED

Separator Gets All The Cream All The Time

The bowl draws in just enough milk to insure clean skimming. You can turn fast and get through quickly because the capacity increases with the speed. Your wife or daughter may turn slower—according to their strength. The Suction-feed will always skim clean and deliver smooth cream of even thickness—not thick today and thin tomorrow.

There are no disks to wash—only one piece in the bowl, simple as a napkin ring. The supply can be only knee-high. You can empty heavy pails and cans of milk without straining back or arms. Come in and see it for yourself.

Yours for rich cream **MIKE BROWN** The Square Deal Man of Square Deal Square

## THE SEASON'S SMARTEST OXFORDS--- Yet the Most Comfortable.

You don't mind having people gaze at your shoes when you are wearing anything as trim as this swanky Oxford! And your foot feels so comfortable in it—no matter how busy you are all day you forget you have feet.

The Red Cross Shoe has all the essentials of the shoe for this season's wear—it's smart, it's comfortable, it's price is amazingly moderate.

Come in and try on this new Oxford. You'll be delighted with it. It's price is \$7.50.

IF YOU WANT TO SEE SOMETHING SWELL—ASK TO SEE THOSE NEW DOLMAN COATS JUST RECEIVED.

**MEERZ BROS.**

# You Can Save Eggs in baking by using Royal Baking Powder

In many recipes only half as many eggs are required, in some none at all, if an additional quantity of Royal Baking Powder is used, about a teaspoon, in place of each egg omitted.

Try this method with all your baking recipes. Thousands of women are using it with great success.

**Royal Contains No Alum—  
Leaves No Bitter Taste**

## THE DAILY PUBLIC LEDGER

Published Every Afternoon Except Sunday By

THE LEDGER PUBLISHING COMPANY

At the Public Ledger Building, East Third Street.

CLARENCE MATHEWS, Editor and Manager.

Entered at the Post Office, Maysville, Kentucky, as Second Class Mail Matter.

Subscription: By Carrier, 6c Week, 25c Month, \$3.00 a Year.

### OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

### ITS OVER, OVER THERE

Remember how the troop trains used to roll leisurely past with the khaki clad youngsters hanging out of the windows, giving you the "high sign" and singing lustily: "And we won't come back till it's over, over there."

Well, it's over. But there are something like a million and a half of them still over there, and while they're there they must be cared for just as well, and with just as much expense, if need be, to keep them as well conditioned and healthy as when the fight was on, for a Yank lost in the hospital is just as eternally lost as if he were killed on the battlefield.

Either way, the mother heart suffers just the same. We want to bring them back safe and sound, and so does Uncle Sam! He is bringing them back just as rapidly as possible, in numbers just as great as the transports will comfortably accommodate, doing his level best to keep them in condition while they are there, sparing no expense to return them to civil life as husky as when they went away; and it all costs money—lots of it.

A goodly portion of the receipts from the Victor-Liberty Loan will be expended in this task. Part of every dollar you lend the government will go toward bringing these boys back home. Your boy, my boy, our neighbor's boy. Remember this when the bond salesman calls. Help bring 'em back.

### LETTERS FROM OUR SOLDIERS

Mr. P. H. Blythe has just received the following very interesting letter from Charles F. "Chick" Dieterich, now in France:

France, February 3, 1919.

Dear Mr. Blythe:

I suppose you will be surprised to hear from me but I thought I would drop you a line as I have plenty of time today.

Well Mr. Blythe I was over in England about four months and I have been over in France nearly four months, and since I have seen France I would much rather be back in England. I've been up in Germany sev-

eral times and Belgium too but I haven't seen any place so far that looked as good as the States to me.

I suppose lots of the boys are back home for good now and I sure wish I was one of the lucky ones, but I will have over here for six more months at least.

I suppose you will be surprised to hear that Porter and I have been together for the last five days. I am in a camp near Colonby and Porter came through this camp on his way home and his Company staid here for five long days. Gee, I sure was glad to see him after we were separated for such a long time. He sure did tease me as I didn't get up to the front at all. The closest I got was here in the zone of advance and he has it all over old "Slek" along that line. Ha, Ha. I have seen a little fighting though. I went up in a truck train and saw more than I wanted to see for a little while. Every night I would go over to see Porter or he would be over here to see me and we sure did some tall stepping as we knew we wouldn't be together long. He took some souvenirs home for me and he has several nice things for you. I think he will get home about the 1st of March so expect him soon.

Well Mr. Blythe I can't think of anything more to write so I must close. A letter from you would be greatly appreciated so try to write me a line soon. As ever,

"CHICK"

Charles F. Dieterich,  
152 Aero Squad. A. P. O. 731 A.,  
A. E. F. France.

Go where you will, you will find no better "stand-by" food than Grape-Nuts. Delicious and economical.

## ADVERTISING FUND MAINTAINED BIG SUGAR CONCERN

American Sugar Refining Company  
Maintains Large Fund For  
Advertising Purposes.

New York, March 12.—The Annual Report of The American Sugar Refining Company for the year ending December 31, 1918, made public today, shows profits from operation of \$6,661,683.86 after providing for income and other taxes, or \$3,393,807.55 less than 1917 operating profits. The total business of the Company amounted to more than \$200,000,000 which was about the same as last year.

The report was given out today at the Annual Stockholders' Meeting at Jersey City by Earl D. Babet who is just completing his third full fiscal year as the Company's President. Cash on hand is \$23,658,102.32. The necessity for a large cash reserve, according to the report, is due to the high price of raw sugar and of other supplies and materials necessary for the refining operation which makes increased demand on capital resources during extended periods of the year, not accurately reflected in a balance sheet coming at the end of the year when operations are at low ebb under present conditions. The profit of about 3 1/2 cents on the dollar of sales is stated to be one of the smallest returns in the manufacturing and merchandising field.

The advertising reserve has been increased \$500,000 bringing that item up to \$2,500,000. The Company was the first large corporation to give advertising the same standing in the balance sheet as depreciation and improvement of plant. The purpose of the reserve is to make certain a continuous advertising program through good and poor years.

Try a Ledger Want Ad. It Pays.

State of Ohio, City of Toledo, Lucas County, ss.  
Frank J. Cheney makes oath that he is senior partner of the firm of F. J. ### SUFFRAGISTS WELCOME

PRESIDENT WILSON

To show the National American Woman Suffrage Association's deep appreciation of President Wilson's efforts in behalf of the suffrage cause and their unfailing loyalty to him as President of the Nation, a committee of Suffragists waited upon the Presidential party at the Gopley Plaza and presented a mass of roses. Among them were Miss Alice Stone Blackwell, Mrs. Charles Sumner Bird, Mrs. Onkes Ames and Mrs. Robert Gould Shaw. (The Kentucky Equal Rights Association is a branch of the National American Woman Suffrage Association and deeply disapproves of the tactics of the so-called "Millionists.")

### DO IT NOW

Maysville People Should Not Wait Until It Is Too Late.

The appalling death-rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the sufferer may slip gradually into some serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Donn's Kidney Pills are especially for kidney disorders—they not only cure but prevent. Over one hundred thousand people have recommended them.

Here is one of many cases in this vicinity.  
Jas. M. Newton, Gum, St., Aberdeen, Ohio, says: "I have used Donn's Kidney Pills off and on for several years and have been greatly benefited. Whenever my back has been weak or when my kidneys have been too frequent in action, I have used a box or so of Donn's Kidney Pills, which I got at Wood & Son's Drug Store. They have always relieved me in a short time."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Donn's Kidney Pills—the same that Mr. Newton had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

### CHEAPER THAN A FORD!

Detroit, Mich., March 12.—Plans of Henry Ford for a new company to produce a lower priced automobile than any at present extensively marketed contemplate employment of possibly 200,000 workers when in full operation, the motor manufacturer said today on his return from Los Angeles.

Mr. Ford stated that the new corporation will in no way interfere with the present Ford Motor Company; that he had no intention of relinquishing control of the majority stock of the old company and that he was not in the market for a single share owned by other stockholders.

Mr. Ford indicated a year may be required to perfect the organization and production plans, location of the several plants projected and other details of the new company.

The "Jubilee" Convention of the Suffragists will be held in St. Louis, March 24 to 29, to celebrate the 50th anniversary of the granting of woman suffrage by Wyoming and to pay tribute to the States which have conferred presidential suffrage on women during the past year.

The Red Cross has arranged with French institutions for the training of nurses to teach prevention and cure of tuberculosis in affected homes in France.

## FOR SALE

I am offering my farm for sale, comprising one hundred and ninety (190) acres, for Sixty Thousand Dollars (\$60,000.00). It is situated one and one half (1 1/2) miles northwest of Morgan, Pendleton County, Kentucky, and eight (8) miles south of Falmouth, on the Morgan and Falmouth Turnpike.

Its location is ideal, lying in the Licking River Valley, and is in high state of cultivation; every acre can be utilized and is well improved.

It has an eight-room brick dwelling and all necessary outbuildings, three barns, cow-house, icehouse, garage and store-room, double corner, hog-house, concrete feeding floors, four cisterns, one well, two never failing spring veins, good fences and gates, everything essential for a comfortable home, and anyone desiring to purchase an up-to-date farm should see it. Will meet any party by appointment at the train to show the place.

Morgan has a Graded High School, Churches, Bank, Post Office, stores and is in a good neighborhood.

J. A. EWING,

Morgan, Pendleton County, Kentucky.

TO WRITE ADVERTISEMENTS

Since the market opened we have sold all the tobacco we could get on our floors—and many of our customers were unable to get in our houses—which we regret.

We can unload you the day you come in, so bring your tobacco in while the market is selling good.

We have sold to date over 4,500,000 pounds without a solicitor on the street or in the field.

## ELECTRIC RAILWAYS IN KENTUCKY SHOW ADVANCEMENT

Report of Director of the Bureau Census Gives Interesting Figures on State's Electric Railways.

Washington, March 12.—Preliminary figures of the forthcoming quinquennial report on the electric railways of the state of Kentucky have been given out by Director Sam L. Rogers of the Bureau of the Census, Department of Commerce. They were prepared under the supervision of Eugene F. Hartley, Chief Statistician for Manufactures.

The statistics relate to the years ending December 31, 1917, 1912, and 1907. The totals include electric light plants operated in connection with electric railways and not separable therefrom, but do not include mixed steam and electric railroads nor railways under construction.

The figures as presented for the state show a moderate increase in the amount of business done in 1917 as compared with 1907.

The employees of the companies in 1917 numbered 2,857, a decrease of 20.4 per cent. as compared with 1912; and their salaries and wages aggregated \$2,233,878, an increase of 4.3 per

cent. as compared with 1912. The rates of increase in the number of employees and in salaries and wages for the decade were 16.5 per cent. and 53.2 per cent., respectively.

The number of revenue passengers carried in 1917 was 109,105,683, an increase of 5.4 per cent. for the later five-year period and 27.1 per cent. for the decade. The income from all sources amounted to \$6,468,973, an increase of 5.1 per cent. over 1912 and of 35 per cent. over 1907. The operating expenses, which aggregated \$3,789,486, show similar rates of increase—6.5 per cent. for the later five-year period and 34.1 per cent. for the decade.

The electric power consumed in 1917 amounted to 101,773,778 kilowatt hours, of which 71,257,193 was generated by the companies and 30,516,586 was purchased. The rate of increase in total power consumed, as compared with 1912 was 14.5 per cent.

## DAM CONTRACTORS WAITING ON RIVER TO FALL

Contractors at Dam 23, just East of the city, are ready to begin their work as soon as the river again finds its banks and they are able to get at their work. Contractors say they expect to complete the job this year and will therefore employ more men than ever before running three eight hour shifts. Just as soon as the river goes back to its banks there will be a large force of men put to work.

## QUAINT HUMOR GALORE PROMISED IN DADDY LONG LEGS

Comedy at the Washington Theater on Next Monday Has Charming Story Running Through It.

"Daddy Long Legs" will be the attraction at the Washington Opera House for one night only on Monday next. This charming story in book form delighted millions of readers and then Henry Miller decided that in it there was excellent material for a play and arranged with Jean Webster, the author, to dramatize it and the success accorded it is now stage history.

"Daddy Long Legs" has youth, romance and a quaint humor to recommend it. "Peg O' My Heart" is the only comedy of recent years to equal its popularity. The story is of a pretty waif in a New England Orphan Asylum, who, through the generosity of an unknown benefactor is sent to a college for girls and is put in possession of all the things for which the feminine heart is supposed to crave. The little waif develops into a beautiful girl and the saucy letters she writes her unknown guardian soon begin to interest him. He goes to the college ostensibly to visit his niece and meets Judy. And then it is that the charming story begins to move rapidly and the whimsical humor, touching pathos and tender sentiment of the succeeding acts give the play an indescribable fascination.

Henry Miller is this year presenting the play with a really remarkable cast, which includes Alice Haynes, Maud Williams, Dorothy McCord, Lilian Rose, Valerie Hickerson, Leonora Bradley, Maud Lydiate, Ruby Jones, Anna Merrick, May Cooks, Robert Gleckler, Bert Chapman, Frank J. Kirk, John J. Powers and others.

## TOBACCO INDUSTRY MORE ACTIVE, REPORT SHOWS

Cigars Seem to Lag But Other Lines Show Good Increases For January.

With the exception of large cigars and manufactured tobacco, including all smoking and chewing brands, the various branches of the tobacco manufacturing industry of the United States started the new year briskly, according to the latest available Government statistics. The decreases in production shown by large cigars and manufactured tobacco were comparatively small, however, and may be attributed in part at least to the uncertainty of the new tax measure, since enacted into law. Cigarettes continue to be the most active of all lines and the January output made an advance over the corresponding month last year amounting to 25 per cent. With the exception of large cigars all lines showed more activity in January than in the closing month of 1918. The total collections of internal revenue from all sources of tobacco products in the United States during January, 1919, show an increase over the corresponding month last year of \$663,841.64, or 5 per cent., and a gain over December, 1918, amounting to \$1,112,673.22, or 9 per cent.

A comparison of the figures representing the production in the various lines for the month of January, 1919, reveals the following contrasts with the corresponding month last year: Large cigars decreased 14,127,459, or 3 per cent.; small cigars increased 3,019,138, or 4 per cent.; cigarettes increased 632,822,036, or 25 per cent.; snuff increased 137,319 pounds, or 5 per cent.; manufactured tobacco decreased 800,700 pounds, or 3 per cent. Comparisons with the preceding month of December, 1918, are as follows: Large cigars decreased 8,879,616, or 1 per cent.; small cigars increased 13,319,724, or 22 per cent.; cigarettes increased 291,413,397, or 9 per cent.; snuff increased 477,569 pounds, or 22 per cent.; manufactured tobacco increased 4,030,921 pounds, or 16 per cent.

## "DID OUR SOLDIERS LOSE WEIGHT? WHY, THEY GAINED 15,000 TONS!"

Our army is coming back to these shores 15,000 tons huskier than when it sailed overseas, according to the April number of the Red Cross Magazine, which reveals, in an article on

"Housekeeping in Khaki," why returned doughboys literally burst out of the clothing they left at home. The average increase in weight in the American army was 12 pounds to a man. This is due in very large measure, of course, to the seemingly limited flow of wholesome foods directed into the training camps and to France by the Quartermaster's Corps. "Secretary of War Baker is proud of this record," says the writer, David M. Hayes. "This war, he tells us, has been the healthiest in history. The test he applies is the number of deaths from disease. The best previous record, 25 per thousand per year, was attained by the Germans in the Franco-Prussian war. Our record in this war was only eight per thousand per year. Now whose is the credit for this 'unbarring' state of health among our troops? Answer: Largely the good housekeeping of our army. The Medical Corps did heroic service in keeping disease bugs away; but the cooks, bedmakers and clothing designers of the army helped make the bodies of our boys an inhospitable place for those same bugs to move into. In fact, the work of their Greatest Mother was much lightened by their Great Housekeeper, the Quartermaster's Corps."

## CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royce City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl...my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot...I told my husband if he would get me a bottle of Cardui I would try it...I commenced taking it, however, that evening I called my family about me...for I knew I could not last many days unless I had a change for the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less...I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life...I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.

Ford Sedan and Coupe's are now equipped with self-starters. See Kirk Bros. now if you expect Ford deliveries this year. Supply limited. 1mo

When Others Must Wait!

Long party-line conversations hamper telephone service by making others sharing the line to wait. —they must wait to send calls; —they must wait to receive calls; Has this ever occurred to you? Because other must wait is a very good reason why party-line subscribers should observe the five-minute limit for local calls. Co-operation between subscribers keeps party-lines open for both incoming and outgoing service.

## Meat: Russia and the Allies

Russia crumbled away and failed the Allies largely through lack of food, according to an American eyewitness.

With plentiful reserves and resources virtually untouched, her people starved at home and at the front because there was no adequate organization to place food where it was needed.

Animals on the hoof were shipped thousands of miles to the various fronts, wasting transportation facilities required for other purposes. They arrived shrunken and emaciated, to be killed and dressed amidst filth and confusion behind the lines. Half of those brought from Siberia, it is said, perished on the way; many more were unfit for food.

On the other hand, the American packers turned live stock into meat in large sanitary plants located in the producing sections, and shipped the product under refrigeration so that it reached the trenches in France in perfect condition, without waste.

### Says Our Authority:

"Had such facilities for cold storage transportation been available to the Russian supply committee as were placed at the disposal of the Quartermaster of the United States by Swift & Company, there might have been a different story concerning Russia's part in the final drama of the war."

A large-scale packing industry would be an asset to Russia, in war or peace, as it has proved to be to the United States.

The cost of this large scale industry in the form of profits is only a fraction of a cent per pound of meat.

Swift & Company, U. S. A.

## WOMAN CHARGED WITH POINTING REVOLVER AT ANOTHER

A warrant was issued in Police Court this afternoon for the arrest of Mrs. Richard Perry, of the Sixth Ward, charging her with pointing a revolver at another. The complaint was filed by Mrs. Anna Fry, who claims that when she and Mrs. Perry engaged in an argument about Mrs. Perry's children, the latter drew a revolver on her and threatened to take her life. The case will be heard tomorrow afternoon.

## OXFORD GLEE CLUB IS COMING TO THIS CITY

Arrangements Made For Famous University Glee Club to Give Entertainment at Maysville High School.

Arrangements have been made by the Maysville school authorities for the appearance of the Oxford University Glee Club at the Maysville High School about April 4th. This organization is composed of 33 members and they have made quite a reputation wherever they have appeared.

The club recently gave an entertainment at Cincinnati and about the same time the Glee Clubs from Yale and Harvard University were heard in the Queen City. The Oxford club received the best compliments from the Cincinnati critics and newspapers and it is therefore considered about the best glee club in the country.

Prof. W. J. Caplinger today said that at a later date he would announce to the public the exact date of the Glee Club's appearance and more about the organization will be given to the public in the very near future.

## CREAM TESTERS EXAMINATION HELD HERE

The Experiment Station has made arrangements with the Traxel-Glascock Creamery to hold an examination for Cream Testers on March 19 at the creamery. This examination will be held at nine o'clock Wednesday morning, March 19. Don't forget the date.

The local cream buyers who have not their licenses should by all means take advantage of this opportunity, as they can take their examination at home and avoid losing time from their business.

## A POSITIVE SIGN OF SPRING

If the weather continues good this week the fish in Fleming creek will have to look out for themselves, as the editor expects to go after them. Life is hungry as a bear after an all-winter fast, for a mess of home-caught fish. They are the real thing.—Flemingsburg Times-Democrat.

## PRAYER MEETING SERVICE

Prayer meeting this evening at the Third Street M. E. Church led by the pastor, Rev. Worth S. Peters. Inasmuch as there has been no unit prayer meetings this week all are urged to attend this mid-week service at the church.

## CUTTING SCRAPE WEDNESDAY NIGHT TO BE AIRED MONDAY

White Man Arrested Wednesday Evening For Cutting Small Negro Boy Is Released on \$300 Bond For Appearance Monday.

Darnall Emmons, of the county, was arrested Wednesday night by the local police on a charge of cutting and wounding with intent to kill. He was brought into court for trial this afternoon but employed Attorney J. M. Collins to represent him. Upon motion of Mr. Collins the case was continued until next Monday afternoon and Emmons was released by Judge Whitaker on \$300 bond.

The cutting scrape took place in Jacob Capron's store on Market street rather early in the evening. Witnesses says that Emmons was under the influence of liquor and without provocation cut Benny Slater, young negro boy, who was standing in the store talking to friends.

Emmons is said to have stabbed the boy in the left hip cutting a rather deep but not necessarily dangerous wound. The boy is able to be about and was present in court this afternoon to appear against Emmons.

## COUNTY AGENT CHIEF WILL MEET AGRICULTURAL BOARD

District Agent in Charge of All Government County Agent Work In This Section, Will Talk Over Matters With Local Agricultural Enthusiasts.

On next Wednesday there will be a very important meeting of the Mason County Board of Agriculture at the office of the County Agent in the Chamber of Commerce building. At this meeting Mr. F. E. Merriman, of Louisville, will be present to discuss with the members of the board various problems arising in such bodies. Mr. Merriman is District agent in charge of all government County Agent work in this section of the state. He is the Chief of the various county agents of the state and it is therefore of the utmost importance that every member of the County Board of Agriculture be present. The regular monthly meeting of the board was set for Saturday, March 15, but it will be moved up to Wednesday, March 12, in order to meet with Mr. Merriman.

## PRICES STILL LOW

Offerings common.

## BOY RAN AWAY TO HOME OF RELATIVES

For several days Truant Officer Walsh has been having trouble with Otis Morgan, young son of Lee Morgan. The lad has been playing truant most every day. Today when the officer went after the boy he learned that the lad had run away from home to keep from going to school and had gone to the home of an uncle in Maysville. Deputy sheriffs went for the boy and took him before Judge Purnell who gave him a good lecture and the boy promised to go to school regularly. Upon this promise Judge Purnell dismissed the boy.

## DESPONDENT WOMEN

A prominent writer claims that "women are naturally despondent," but often mental depression may be attributed to an abnormal condition of the system, which expresses itself in nervousness, headache, sleeplessness, and consequent despondency. Lydia E. Pinkham's Vegetable Compound goes to the root of this trouble, it gives tone and strength to the system and restores women to a normal, healthy condition.

## MANY ATTEND OWENS SALE

Quite a number of people attended the sale at the Thelso Owens farm in the county today according to information reaching Maysville this afternoon. All the stock offered for sale is said to have brought good prices.

## PIKES FILLED WITH MOVERS

All of the pikes in Mason county are just now filled with movers. Farmers are changing their locations just at this time and there are more changes being made this year than usual.

The Celestine Quartet—composed of four musical Yankee convalescents at Vichy—accompanies the Red Cross workers on their daily rounds through the 80 hospital hotels.

## LOCAL BUSINESS MEN ASK A. T. CO. TO RECONSIDER

Appeal Made to the American Tobacco Company to Reconsider the Matter of Closing the A. T. Store Here For This Year.

Realizing that the closing of the American Tobacco Company's store here this year will mean a great reduction in the city's pay roll, the local business men through the Maysville Chamber of Commerce are making a direct appeal to the Company to reconsider their step and if at all possible continue the operation of the plant for the coming summer.

The many advantages of Maysville as a location for a store are set out in the communication which is being forwarded to the headquarters of the company in New York City today and other good arguments are being advanced which it is hoped will cause the officials of the company to reconsider their action and order the plant opened again.

Maysville has few industries which are of more worth to the community especially through the summer season than the American Tobacco Company's big store. Last year the plant gave employment to many men, women and children and distributed a large sum of money among our people.

## MISSION BOARD TO MEET

The Board of City Missions will meet at 2:30 p. m. Friday. Business of importance to be considered and full attendance is urged.

## INCOME TAX PAYERS CROWD THE GOVERNMENT BUILDING

Only Short Time For Filing of Income Tax Returns and Payment of Taxes and the Late Ones Are Crowding Considerably.

There has been a good sized crowd of men in the lobby of the government building all day today and tomorrow it is expected that the crowd will be much larger than it was today. March 15th is the last day for the filing of income tax returns and many people have postponed this matter until the last minute. As there have been so many doing this there is quite a crowd at the Deputy Internal Revenue Collector's office and many have to wait a while before their time comes to take the matter up with the experts.

The government has given every one plenty of time and full warning and those who have not listened to the warnings and who have not heeded their will probably have to pay rather severely for their carelessness.

Saturday is the last day and it is expected that the local office will be very crowded all of tomorrow and Saturday.

White Brothers, of Sardis, who last year operated a daily auto bus line between this city and Sardis and Mt. Olive, have again resumed these daily trips after several months. The auto will leave Maysville daily at 11 a. m. and return from Mt. Olive and Sardis at 7:30 p. m. each evening spending the night in Maysville. Passengers may get the truck at the Chamber of Commerce building.
